## Superfast Broadband

At last we have a chance to have our say about the Broadband situation. At the present moment we are in the 10% requirement bracket as they (the powers that be) think we are only two small villages with very little requirement. If you go to the Home page of Deene & Deenethorpe web site <http://www.deeneanddeenethorpe.org.uk> there is link to a survey about having superfast Broadband.

For those of you who use Broadband at home for work can you use the following link - <https://www.surveymonkey.com/s/nccbusinessbroadbandsurvey>

## Deene and Deenethorpe Web Site

We now have a joint web site and this can be accessed via

## New Grit Bin in Deenethorpe

The parish Council have obtained a new grit bin for Deenethorpe. This has been sited outside No: 7, so we should now be well covered for the snow. If you would like to have your own supply of grit, for your drives or pavement, contact the NCC Street Doctor who I understand will arrange it.

## Bulwick Flower Show

This year Deenethorpe did very well at the Flower Show, there were very few categories that they did not enter mainly the children's section. But this we hope will be corrected next year. Deenethorpe achieved 20 - 1<sup>st</sup> 12 - 2nds and 8 - 3rds. They also won the best garden, the trophy for the most points for vegetables by one person, and the Lambert Trophy for the most points in the photographic section

Although this is open for Deene as well it was a shame that there was not an entry from that village
